

DESIGN THE TOTEM POLE

CHILDREN'S COMPETITION

- With the help of a wood sculptor we are turning the tree trunk by the wood stack play equipment into a totem pole and we'd like you to design it!
- Your design should include elements of the park such as nature, heritage & the people that use it. Let your imagination run wild!
- Draw your design on the template on the back of this sheet, hand it in to the Visitors Centre or email hhp@centralbedfordshire.gov.uk .
- Closing date 31st July
- We are hoping for some fantastic designs and will choose more than one winner with partial designs being included on the pole.

Tell us about your design
